Fax 818-244-6309

“Dynamiter Pride”

Kathy Fundukian
Principal

Charlotte Sassounian
Assistant Principal ASB

Mary Hazlett
Director of Activities, ASB

How will involvement in ASB benefit my child?

1. Students in ASB have more opportunities to get to know the administrators, counselors, Board of Education Members, Superintendent, and other prominent decision-makers in the Glendale district. These people come to the ASB students for advice, input, and help with many projects and activities. Since your child gets to know these people, they are the ones who are comfortable writing letters of recommendation for colleges, and offering assistance for anything your child needs.
2. ASB affords your child the opportunity to "get involved" in school. Whether it is tryouts for an athletic team, the creation of a new club on campus, scholarship opportunities, etc. your child will be the first to know.
3. Your child will associate with goal-driven, successful, polite peers. Students in ASB understand they represent the school and are examples for the others to follow. Academic success is a requirement, and they motivate each other to stay on top. Your child will have the benefit of advice from upper classmen on teachers, assignments, and free peer tutoring if necessary in the classroom.

Here is recent list of graduating ASB students' attended Colleges and Universities.

Private

Georgetown: 3

Stanford: 1

MIT: 1

West Point: 1

Parsons: 1

USC: 25

BYU: 2

Johns Hopkins: 1

UC Schools

UCLA: 30

UCB: 20

UCSD: 8

UCI: 10

UCSB: 10

UCSC: 5

UCR: 5

Cal State Schools

CSLB: 1

CSLA: 1

GCC Scholars

Program: 25

(automatic transfer to any UC school)

4. It has been accepted as fact that high-school-aged students excel at a higher level when they are part of a "group." ASB is a group which provides a safe environment that will challenge them, expose them to community service opportunities, and teach them skills such as taking initiative which they can use in college and beyond into their career.

I hope to see you at some of our events throughout the year!

Thank you, Ms. Mary Hazlett
